

ATA Chapter Reference Handout

ATA Chapter	Name	Category
00	General	Aircraft General
05	Time Limits / Maintenance Checks	Aircraft General
06	Dimensions and Areas	Aircraft General
07	Lifting and Shoring	Aircraft General
08	Leveling and Weighing	Aircraft General
09	Towing and Taxiing	Aircraft General
10	Parking, Mooring, Storage	Aircraft General
11	Placards and Markings	Aircraft General
12	Servicing	Aircraft General
20	Standard Practices (Airframe)	Aircraft General
21	Air Conditioning	Airframe Systems
22	Auto Flight	Airframe Systems
23	Communications	Airframe Systems
24	Electrical Power	Airframe Systems
25	Equipment / Furnishings	Airframe Systems
26	Fire Protection	Airframe Systems
27	Flight Controls	Airframe Systems
28	Fuel	Airframe Systems
29	Hydraulic Power	Airframe Systems
30	Ice and Rain Protection	Airframe Systems
31	Indicating / Recording Systems	Airframe Systems
32	Landing Gear	Airframe Systems
33	Lights	Airframe Systems
34	Navigation	Airframe Systems
35	Oxygen	Airframe Systems
36	Pneumatic	Airframe Systems
37	Vacuum	Airframe Systems
38	Water / Waste	Airframe Systems
39	Electrical-Electronic Panels & Multipurpose Components	Airframe Systems
40	Multipurpose and Mission Equipment	Airframe Systems
41	Water Ballast	Airframe Systems
42	Integrated Modular Avionics (IMA)	Airframe Systems
44	Cabin Systems	Airframe Systems
45	Central Maintenance System (CMS)	Airframe Systems

ATA Chapter	Name	Category
46	Information Systems	Airframe Systems
47	Inert Gas Systems	Airframe Systems
49	Airborne Auxiliary Power (APU)	Airframe Systems
50	Cargo and Accessory Compartments	Airframe Systems
51	Standard Practices & Structures – General	Structures
52	Doors	Structures
53	Fuselage	Structures
54	Nacelles / Pylons	Structures
55	Stabilizers	Structures
56	Windows	Structures
57	Wings	Structures
70	Standard Practices – Engine	Power Plant
71	Power Plant (General)	Power Plant
72	Engine (Turbine / Turboprop / Piston)	Power Plant
73	Engine Fuel and Control	Power Plant
74	Ignition	Power Plant
75	Air	Power Plant
76	Engine Controls	Power Plant
77	Engine Indicating	Power Plant
78	Exhaust	Power Plant
79	Oil	Power Plant
80	Starting	Power Plant
81	Turbines (Reciprocating Engines)	Power Plant
82	Water Injection	Power Plant
83	Accessory Gearboxes	Power Plant
84	Propellers / Propulsors	Power Plant
85	Unducted Fan	Power Plant
86	Thrust Reversers	Power Plant
91	Charts	Miscellaneous
92	Flight Manual	Miscellaneous
93	Supplements	Miscellaneous
